
self service magazine

A reference for the fashion industry, Self Service is the first to discover and determine where fashion will go next.

The 24-year-old biannual has brought about a new and influential fashion establishment, and fresh ideas that have redefined the look of fashion communication.

An entire magazine devoted to capturing the dynamics of fashion, for and about the new leaders of style.

Exploring the diversities of fashion. Self Service features the best work of noted photographers, stylists and designers alongside that of exciting younger talents.

In each issue, Self Service highlights and supports inspirational design and imagery with an accent on emotion, innovation and individual integrity.
